

**2015 Franchise Leadership & Development Conference  
Table Top Contract**

The exhibitor area of the 2015 Franchise Leadership & Development Conference is **purposefully designed as a table-top networking space only**. This is not a booth venue therefore we cannot allow the set up of any booth in this room.

I, Alex O'Bryan, hereby understand that I **cannot set-up a booth** at the 2015 Franchise Leadership & Development Conference.

I may set-up table-tops and signage that are no larger than 6 feet in width and height and 12" in depth. Pull-up floor signage **may not** be set on top of the table or next to the table.

**Pull-up floor signage needs to be behind the table.**

Any table-top and signage associated with my table **cannot obstruct the view** of neighboring tables **or be outside of my 6-foot table space**.

**Due to space restrictions and the fire marshal code we cannot vary from our 6-foot table format.**

Banners or signs **cannot** be hung from hotel walls or ceiling.

If I do bring a booth I will **not** be permitted to set it up.
